Copy of a letter from the Acting Chief Engineer and Manager, Surat Electricity Company, Limited, No.51/8692, dated the 30th October 1948.

With reference to your letter of the 19th June 1948 and subsequent reminders we understand that your committee was set up by Government to investigate the labour condition obtaining in important industrial establishments --in Bombay city, Bombay Suburban District and the East and West Khandesh Districts. As Surat is included in none of these areas we feel that it is not necessary for us to fill in the questionnaire.
